Happy Thanksgiving!

Now that October is here, many Brentwood Community Association activities are in full-swing. That doesn't mean it is too late to join some of them, and we would love to have you. Registration is on-going for the Brentwood Figure Skating Group for beginners to competitive figure skaters for all ages, 4 years to adult. Registration information can be found in this issue as well as our website: [brentwoodcommunity.com](http://brentwoodcommunity.com) or the email address in the article on page 10.

Public skating at the Sportsplex also begins October 1st, so join your neighbours for some recreational skating on Mondays and Saturdays. More details are on page 11.

The Bridge Group, Scrabble Group and Seniors' Tea Group are meeting once again. If you have not joined us before and you are interested, find more information in the Bugle. The Teas are open to all guests 55 years and over and are held the third Thursday of each month from September to June. Come and join us for refreshments, snacks and conversation!

The kids are anxiously awaiting Halloween at the end of the month, and there will be plenty of action in our community. There is a pumpkin-carving contest at the BCA. Councillor Sean Chu as well as EMS have some information and tips regarding the safety of our trick-or-treaters for Halloween night inside. Also, if you have never seen it, you and your family can visit Haunted Calgary's charity haunted house in Rocky Ridge on October 26, 27 and 31. More information on hours, prices and location can be found in the Bugle.

Have a happy, safe Halloween. We hope to see you at one of community functions soon!

## CARROLL PLACE

- We will play 10-11 games. Everyone has a chance to win!

Come out and join us for a great time!

Everyone is welcome!

### We are Knitting for a Cause!

The Knitting for a Cause group would like to extend their heartfelt appreciation to everyone in the community who has donated wool and knitting supplies to their initiative over the years. Thanks to your donations, the group has been able to spread kindness and compassion throughout our wonderful city, one stitch at a time. The group began by knitting sets of children's hats, scarves and mitts to donate to elementary schools in Calgary. Thanks to your generosity, hundreds of little hands and ears have been kept warm during our frigid Calgary winters. While the group continues to knit winter wear for kids, they have also expanded to participate in some incredible initiatives.

Our group has been busy and there is no sign of slowing down. We are always looking for new members. All ages and skill levels welcome! No knitting experience necessary. Come knit with us and be part of the amazing projects we have underway. We meet from 1:00 to 3:00 pm every Saturday at the Carroll Place Lounge. Call Erika Cusimano to sign up. 403-452-5575.

The owl is a popular Halloween image. In Medieval Europe, owls were thought to be witches, and to hear an owl's call meant someone was about to die.

# Brentwood Volunteers Needed

## The BCA is currently looking for two volunteers.

The first is the position of Brentwood Community Soccer Coordinator. This position involves the overall administration of the spring outdoor soccer season which runs from April to the 3rd week of June. If your children have played, or will be playing soccer next year, this is a very important and rewarding position. Don't worry! There are plenty of seasoned volunteers to help you.

The second is the BCA Treasurer. The treasurer also attends the monthly meetings and prepares a financial report for BCA members.

If you are interested in any of these positions, please contact Linda at the BCA Office: 403-284-3477.

## Haunted Calgary Ready to Unleash Terror Again

by Christine Campbell, Creative Director or "HallowQueen"  
What lurks in Calgary, boiling just below the surface of our quiet, friendly city? The cesspool of human society: a ghoulish collection of creeps who would make your skin crawl and your stomach turn. Evil so wicked that even the most macabre will shudder. The promise of fresh victims calls to these soulless entities as they gather at Calgary's Halloween tradition in the northwest community of Rocky Ridge.

Haunted Calgary's approximately 10,000 square foot walk-through haunted yard attraction has been designed, built and operated by volunteers for the enjoyment of the community for over 25 years. With a cast of approximately 60 actors, some Hollywood-scale animatronic monsters, and uniquely handcrafted sets, the attraction is guaranteed to be a new experience each year.

The attraction gives back to the community in many ways. Seasoned volunteers offer hands-on training for youth, women and under-served populations, include safe power tool operation, basic construction skills, painting and set design, acting, special effects makeup, administration and customer service, etc. Those interested in volunteering can visit [www.hauntedcalgary.org](http://www.hauntedcalgary.org) for more information.

Haunted Calgary raises funds for animal rescue and food for the food bank through its gate admissions. Cash, Visa, MasterCard, Debit Tap, Google Pay, and Apple Pay will be accepted at the gate.

Haunted Calgary brings the community together, attracting over 5,000 visitors over three nights and for many has become an annual family Halloween tradition. The "Low Scare" during daylight hours features few (or no) actors and less spooky lighting for the little ones and the faint of heart. But if you're brave enough, we highly recommend you visit during full scare hours in the evening. Parental discretion is advised.

### CanSkate (Learn-to-Skate) Program

The **CanSkate Program** is Skate Canada's learn-to-skate program designed for beginner skaters, ages 4 and up, which focuses on the development of fundamental skating skills and movements. Our program encourages skaters to learn in a fun, safe, positive environment while receiving constant feedback from our coaching team for better progression. During the skating season, coaches will use their discretion to progress skaters through appropriate CanSkate levels according to their skating ability. Those who show potential and interest may choose to join the STARSkate group lesson programs.

### STARSkate (Intro Figure Skating) Program

The **Junior Group Star Program** (STAR 1-2 levels) and the **Junior Star Program** (STAR 3-5) under the STAR-Skate framework, are designed for skaters who have completed CanSkate Stage 4 or higher or for those who have progressed beyond the CanSkate program and would like to continue group lessons. Our program motivates skaters to learn in a group environment and progress at their own pace while developing their figure skating in **Singles Skating, Skating Skills** and **Ice Dance**. Skaters immersed in this program will have the opportunity to begin their Skate Canada STAR 1-5 Assessments through a Nationally standardized testing system and attend STAR 1-5 Competitions.

### Adult Skate Program

The **Adult Skate Program** is growing in popularity and offers recreational, test and competitive opportunities to adult skaters 18 years and over. The Adult group lessons teach from basic to advanced levels of skating skills and movements, allowing skaters to learn in a fun, social environment.

### Competitive Skate (Figure Skating) Program

The **Competitive Skate program** is for skaters in singles, pair and ice dance wishing to compete in qualifying events within Skate Canada. Skaters who wish to challenge their figure skating skills and who show potential as competitive skaters can participate in this program. This is the main competitive figure skating stream for those skaters who would like the opportunity to compete at Sectionals, Skate Canada Challenge and the Canadian National Figure Skating Championships. If skaters are interested in competitive figure skating, they can join the Competitive Skate Program supported by their Coach.

For more skating information and program registration, visit: [www.BrentwoodSkating.wixsite.com/home](http://www.BrentwoodSkating.wixsite.com/home).

Or if you have any questions, please contact Ena MacDonald at: [BrentwoodSkatingClub@gmail.com](mailto:BrentwoodSkatingClub@gmail.com).

### Public Skating at the Brentwood Sportsplex:

Mondays 10:00 am to 11:30 am, October 1st to December 17th, 2018 and January 7th to March 25th, 2019 (no skating October 8th, December 24th and 31st, 2018 or February 18th, 2019).

Saturdays 12:15 pm to 1:15 pm, October 13th to December 8th, 2018 and January 5th to March 9th, 2019.

Cost \$1.00 per person; please pay at the office on Mondays and at the concession on Saturdays. Public skating only – no sticks, pucks, sleds or strollers. We do not supply skating assistance equipment. Any participants under age 18 must wear a helmet.

### Halloween Pumpkin Carving Contest:

The BCA Events Committee is having a Jack-O-Lantern contest on Sunday, October 28 from 3 to 4pm. Please bring carved Jack-O-Lanterns between 10 and 11am to submit for contest in the afternoon. Please check the BCA website for details [www.brentwoodcommunity.com](http://www.brentwoodcommunity.com) or email: [brentwoodeventsyc@gmail.com](mailto:brentwoodeventsyc@gmail.com)

### Scrabble Group:

The Scrabble Group meets every Thursday afternoon in the Sportsplex Boardroom. New members are most welcome. Please call 403-284-3477 for more information.

### 55 Plus Bridge Group:

The Bridge Group meets every Wednesday at 1 pm upstairs in the Banquet Room of the Sportsplex. All players are welcome! Contact Roman at 403-289-6244.

### Playgroup:

The Brentwood Community Playgroup is designed for parents and caregivers to get together with their young children (ages 0-5) for a couple of hours each week to connect, learn through play and most importantly, have fun. Our enthusiastic group meets Wednesday mornings from 9:30 to 11:00 upstairs at the Brentwood Sportsplex. We are always happy to have new members join. Email us at: [brentwoodcommunityplaygroup@gmail.com](mailto:brentwoodcommunityplaygroup@gmail.com).

### Brentwood Community Association Board Meeting:

The next regular meeting will be Tuesday, October 30,

2018 at 7:15 pm in the upstairs Boardroom of the Sportsplex. All community members are welcome, but are asked to submit agenda items in advance if they have items for discussion at the meeting by contacting Linda Van Holst at 403-284-3477 or [brntwdca@telus.net](mailto:brntwdca@telus.net)

### BCA Hall Rentals:

The Banquet Hall and Boardroom at the Brentwood Sportsplex are available for rental by the public. Please refer to the BCA website for details [www.brentwood-community.com](http://www.brentwood-community.com) and go to the Facilities page. Current BCA members get a 15% discount on hall rentals.

### Bugle Deadline:

The deadline for the December 2018 Bugle community articles and notices is October 26, 2018 and the deadline for the January 2019 Bugle is November 26, 2018.

# Westwood Warriors Hockey

Wow! What an exciting start to our hockey season! Evaluations are just winding up for our senior divisions and our junior teams have already hit the practice ice. It is great to see all those energetic faces—the kids are so excited to be back.

Our Atom teams are set to host their annual Fall Freeze Tournaments in October. Each host team has invited three guest teams to join them for these events. It should be exciting pre-season hockey. If you have some spare time, drop by and watch the entertainment.

We are also hosting the 37th Crowchild Challenge from October 5 – 7th. It is going to be an amazing event with teams coming from all over Alberta, as well as teams from other provinces as well as California. There are plenty of activities planned besides some outstanding hockey, so don't miss the chance to take it in first hand. Most games are played at the Crowchild Twin Arena.

Visit our Northwest Warriors website to see what is new ([www.nwwarriorshockey.com](http://www.nwwarriorshockey.com)) and what events are coming up. If you have any questions or comments, please contact us at [admin@crowchildhockey.org](mailto:admin@crowchildhockey.org).

We would like to wish everyone a Happy Thanksgiving filled with family, friends and fun. Oh yes, and lots of turkey!

By Cynthia Sim

What a summer it has been! The summer of 2017 gave us a taste of heat and smoke but was nothing compared to what we have experienced this season. After surviving the hottest May in Calgary's history (after the ultrashort spring), we passed into a summer of BC fires, smoke, heat, air quality warnings, little effective precipitation and weird orange sunshine. The July and August garden grooming events, where the gardeners tend to the maintenance of the common areas of the garden, were scheduled for evenings on the assumption that the evenings would be cooler. It was a forlorn hope as the heat intensified in the early evening and several of the gardeners were unable to participate because of the ever-present smoke.

Despite the poor air conditions, garden production was a success story. Again, this summer, as noted last year, most of the perennials flowered early and once more there was a good crop of cherries and two of the apple trees were loaded with apples that also ripened earlier than anticipated (see photo). The two smaller apple trees had fewer flowers and only a few apples which were blown off during one of our very windy days in July. The haskap bushes, which usually flower in April, were delayed and when the flowers did appear, there were few pollinators around. Bee activity increased during May and later months, but the haskap did not produce any significant fruit. The severe winter damage to a few of the perennials has resulted in some permanent change, particularly to the barberry bushes, two of which will require aggressive pruning before winter. The potentilla, which was very slow to bloom, managed to rebound and was in full flower by mid-summer. The remaining perennials appear to have recovered well.

As is evident from the above, we gardeners are always lamenting the vagaries of Calgary weather, particularly the lack of rainfall during the growing season. As autumn arrives with cooler temperatures, we look forward to our main social event of the season, our annual Harvest Potluck, always a great ending to our gardening season.

## 2018 Richard and Louise Guy Lecture

Dear Brentwood residents (and others!),

We hope to see you at the 13th Richard & Louise Guy lecture at 17:00 on Thursday, October 11 in the MacEwan Hall Ballroom at the University of Calgary. This is a Town & Gown, Arts & Science, Age & Youth, Amateur & Professional event.

We believe that Math is fun and available to everyone!

The title of the lecture is, "How to Bake a Pi", and will be given by Eugenia Cheng. Try googling her name – Pianist, Cook, Author, Professor of Mathematics... you won't believe that this is just one person!!

To be sure you get a seat please register at [math.ucalgary.ca](http://math.ucalgary.ca). There is no cost to attend the lecture.

Looking forward to meeting you all!

Richard Guy, Professor of Math, U of C.

The Department of Mathematics and Statistics Presents **Dr. Eugenia Cheng**

5-6 p.m. Thursday, October 11, 2018  
MacEwan Hall Ballroom

**Free admission** – please register at [math.ucalgary.ca](http://math.ucalgary.ca)

Mathematics can be tasty! It's a way of thinking, and not just about numbers.

Through unexpectedly connected examples from music, juggling, and baking, I will show that math can be made fun and intriguing for all, through hands-on activities, examples that everyone can relate to, and funny stories.

I'll present surprisingly high-level mathematics, including some advanced abstract algebra usually only seen by math majors and graduate students. There will be a distinct emphasis on edible examples. Suitable for all ages including keen children.

Eugenia Cheng is a mathematician and concert pianist. She is Scientist In Residence at the School of the Art Institute of Chicago and won tenure at the University of Sheffield, UK.

She has previously taught at the universities of Cambridge, Chicago and Nice and holds a PhD in pure mathematics from the University of Cambridge.

Dr. Cheng can be found on YouTube, writes a column for the Wall Street Journal, and is a popular author, who featured on the Late Show with Stephen Colbert. Her next book, "The Art of Logic in an Illogical World" is due out in 2018.

The Richard & Louise Guy Lecture Series, presented from Louise Guy to Richard in recognition of his love of mathematics and his desire to share his passion with the world, celebrates the joy of discovery and wonder in mathematics for everyone.

### Brentwood – Cannabis Update

#### CANNABIS STORE APPLICATIONS UPDATE

A retail store means cannabis can be sold but not consumed on the premises. Cannabis related merchandise may also be sold.

Two retail locations have been approved in the Brentwood area:

- DP2018-1826 - 4122 Brentwood Rd NW, beside the Brentwood Co-op
- DP2018-1814 - 5505 Shaganappi Trail NW, beside the Dalhousie Co-op

Two retail locations previously denied are being appealed by the applicants:

- DP2018-1944 1343 Northmount Dr. NW.
- DP2018-2251 1334 Northmount Dr. NW.

You can find an up-to-date map of all cannabis applications here: <http://www.calgary.ca/PDA/pd/Scripts/land-use-bylaw/cannabis-store-info-map.html>

#### Information on Cannabis for Landlords and Tenants

With the smoking and growing of cannabis becoming legal, many property owners have questions around what that means for their Brentwood rental. If you have a rented home, suite or condo, you may wish to consider adding clauses to your lease. Here is what I've been able to find out from the Alberta Residential Landlord Association ([www.albertalandlord.org](http://www.albertalandlord.org)) and the City of Calgary (<http://www.calgary.ca/CSPS/ABS/Pages/By-laws-by-topic/public-consumption-of-cannabis.aspx>):

#### Smoking of Cannabis in a Rental Property

- A landlord may prohibit the smoking of all substances, including cannabis, in the rental property.
- The residential tenancy agreement should be clear on what is/is not allowed in the rental property.
- Condominium corporations can also restrict smoking of substances through their bylaws – which will impact renters residing in a condo.

#### Growing of Cannabis in Rental Property

Under the proposed legislation – an individual will be allowed to grow up to 4 plants in their residences.

- A landlord could restrict growing in a new rental agreement or new agreements entered into at the end of a fixed term.
- Periodic agreements – the landlord can approach tenant to mutually add to agreement – no obligation for tenant to agree/sign new lease.

#### Medicinal Marijuana:

- If the rental building is designated as smoke-free, then that would generally apply to any type of smoking.
- Tenants who use medical marijuana have other options for usage rather than smoking such as edibles, oils, etc.
- The landlord is not prohibiting these tenants from using their medication, just the form in which they are using it.

#### Using Cannabis on Private Property

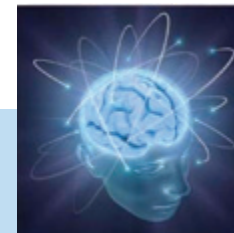

- Under Provincial and Municipal laws, people will be allowed to smoke, vape or otherwise consume cannabis on their private property.
- The City of Calgary will not regulate use on private property.
- The City will view cannabis smoke in the same way as cigarette or fire-pit smoke. It may be annoying to some, but it is legal.
- Unless smoke is over and above what one could expect from day-to-day activities, it is considered part and parcel of city living.

Allowing tenants to grow or smoke cannabis in your home or on your property may not be a concern for some landlords. If, however, you have concerns about future property values or potential insurance issues, here are two lease clauses that can be added to the lease agreement:

1. In consideration of the Landlord's desire to offer tenants a smoke-free environment, the health hazards associated to second hand smoke, other safety concerns and the nuisance caused by the presence of smoke including lasting odours which permeate walls, floor coverings and other interior finishes, these premises are strictly non-smoking. This prohibition includes the use of both tobacco and marijuana products which have undesirable effects on the property of the landlord and the peaceful enjoyment of other tenants. Breach of this prohibition will be considered a sub-

stantial breach of the lease and, as a result, the landlord will take any and all action, including eviction.

2. In consideration of the nuisance smells, the property damage associated with increased indoor moisture levels, the danger of overburdened electrical systems, and safety concerns related to these things, there is a prohibition on the growth of marijuana in the premises. Further, in consideration of the nuisance smells associated with the production of marijuana derivatives and other deleterious effects caused by such activities, the production of marijuana derivatives is also strictly prohibited. Any breach of these prohibitions will be considered a substantial breach of the lease and, as a result, the landlord will take any and all action, including eviction.

## Calgary Concussion Awareness and Support

Calgary Concussion Awareness & Support meets on the last FRIDAY of each month in the Boardroom, upper level of the Brentwood Sportsplex.

To view our presentation videos & see our postings, please be sure to visit & like our Facebook page: <https://www.facebook.com/Calgary-Concussion-Awareness-Support-1202581439802468/>

Our next meeting will be held Friday, October 26 from 7:00 pm to 8:30 pm.

It is so important to learn more about concussions, how easily they can happen & the healing process that many are experiencing.

All are welcome to attend. You are welcome to bring family & friends. No prior registration required, simply drop by. No admittance fees. Free parking.

## Brentwood Elementary School

Written by Alanna Nazarko, Brentwood School Council Co-Chair

Happy Thanksgiving from the staff and students of Brentwood School!

We would like to say a warm welcome back to our Brentwood community grandparents who volunteer every Thursday in our school. The support you offer our teachers and students is very appreciated—thank you from the bottom of our hearts!

We will be having our Photo Day on October 22nd and the Alien Inline Skating program will begin on the 29th. You may see additional cars as we require parent volunteers to help the children with this fun activity. Our students will also be looking forward to celebrating Halloween, with our annual Pumpkinella event on October 31st. This is a much-loved tradition where students are encouraged to bring a carved pumpkin to be displayed in the gym for everyone to see. Even our teachers get in on the festivities with a pumpkin carving contest. As always it will be a "Spooktacular" event and one Brentwood School looks forward to each year!

We are selling the ADmazing Savings coupon books once again this year for \$25 each. This fundraising effort is to support our classroom libraries. There are some great coupons to save your family money on shopping, dining and so much more! Feel free to come to the school and purchase your ADmazing Savings book from our office staff. Thank you for supporting our school.

If you have any questions about our school, please visit our website ([cbe.ab.ca](http://cbe.ab.ca)) or call the school at 403-777-6130.

Dear Ward 4 Residents,

### Partners for Safety patrolling on Halloween night

Halloween should be spooky - not scary. The Calgary Partners for Safety have been patrolling the streets on Halloween night for more than 20 years to keep our little ghouls and goblins safe while they trick-or-treat! From 6:00 p.m. to 8:00 p.m. on October 31, more than 600 vehicles will be on Calgary's streets providing high-visibility assistance for anyone enjoying Halloween fun.

Coordinated by Calgary's Child Magazine, the Partners for Safety include the Calgary Police Service, Emergency Medical Services, Calgary Fire Department, Calgary Transit, Calgary Community Standards, Calgary Public Safety Communications (911), and Global Calgary. Any child experiencing a problem can go to any one of these partners for help.

Between regular emergency calls, the Calgary Police Service and Emergency Medical Services will have units patrolling residential neighbourhoods. The Calgary Fire Department will also have vehicles on patrol and fire stations will be open as a safe place for trick-or-treaters to ask for help if they need it.

Calgary Transit's buses and CTrains are in the community day and night providing essential transit services. On Halloween, if trick-or-treaters need help, they can approach any transit vehicle they spot. Bus and CTrain operators have radios and can contact the appropriate emergency personnel if needed.

### Impaired driving is impaired driving, no matter the substance

- Driving while impaired by cannabis is dangerous and against the law. Visit [Calgary.ca](http://Calgary.ca) and search 'impaired driving' for information about cannabis-impaired driving, including:
- how impaired drivers are detected
- criminal penalties for impaired drivers per blood concentration levels of cannabis or alcohol
- what to do if you suspect a driver is impaired

# News from the Friends of Nose Hill

by Anne Burke

There a number of exciting things to share with you this month: The Annual General Meeting of the Friends of Nose Hill Society is coming soon. Watch for details of this and other news on our website at [www.fonhs.org](http://www.fonhs.org).

A public survey on City of Calgary Parks was posted at the City website [Calgary.ca](http://Calgary.ca). The survey as well as public engagement are now closed, but you can learn about the results at: [www.engage.calgary.ca/parksbylaw](http://www.engage.calgary.ca/parksbylaw). The Updated Parks and Pathway Bylaw draft was presented to Council for approval in the fall. As part of the Bylaw review, information was gathered from reports, 3-1-1 calls, and best practices from other cities.

A citizen science initiative has been launched on the volunteer research website Zooniverse to enlist the help of Calgarians to "crowdsource" the identification of images. Go to the website: [www.zooniverse.org/projects/calgary-captured/calgary-captured](http://www.zooniverse.org/projects/calgary-captured/calgary-captured) for more information and to view the photos.

Shelley Alexander, a Professor at University of Calgary and an international expert in wild canid ecology (coyotes and wolves), lead a Jane's Walk on Nose Hill on May 4, 2018. The Jane's Walk website description was as follows:

"Beginning at the Many Owls Valley Parking lot (at Brisebois Drive) on Nose Hill, we will ascend the gentle slopes of this native grassland ecosystem, to the top where we will have a vantage of the Calgary cityscape and the undulating foothills parklands spanning west to the Rocky Mountain Front. Here we can view the world from the perspective of a coyote and understand the challenges they face living in this urban to wild gradient. Continuing our walk of the trail circuit, we will watch for signs of coyote (tracks/scat), discuss local research methods and findings, share fun facts about urban coyotes, and learn tips to help us live together and co-flourish.

Dogs and kids are welcome. This walk route is partly paved, partly grass/packed and gravel trail."

We thank Dr. Alexander for leading this as well as past Jane's Walks, and hope those who have attended them leave with further understanding of the urban coyote.
