

## Community Clean-Up Information

**Date:** Community Clean-up: June 9, 2019

**Place:** Brentwood Sportsplex Arena (1520B Northmount Drive NW)

**Time:** 9:00 a.m. to 1:00 p.m.

Community membership is not required to dispose of items.

Acceptable items are:

- Organic items that are too big for your green bin (branches, etc) - Sod is not considered organic but can be disposed of (due to chemical treatment)
- Those items that would generally be accepted at the City's Throw N Go locations (including upholstered furniture which cannot be donated due to risk of contaminants)
- Electronics eligible for recycling

We will be accepting new and gently used clothing and household items to donate to the Cerebral Palsy Association.

**\*\*Note:** We have not been able to find a group to accept large furniture (e.g. bedroom suites) so we are not able to accept them at this time\*\*

Items excluded from clean up: paint / chemicals / propane tanks, tires, major appliances, metals

Paint/chemicals/propane tanks can be disposed of at the Varsity Fire Station #17 (3740 - 32 Avenue NW)

Tires and appliances are best disposed of at the Waste Management Facility in NW Calgary.

Due to the high level of participation of this event, we need more volunteers to help us out. Volunteer roles include: traffic control, managing donations, and helping to unload waste from vehicles into the trucks. Time slots can vary depending on availability. Please reach out to Nathan Hildenbrandt at [nhildenbrandt@gmail.com](mailto:nhildenbrandt@gmail.com) if you can help.

We supply safety clothing (vests, gloves), coffee, and lunch throughout the event.

This is one of many community clean-ups throughout the City of Calgary beginning April 27th. The full calendar will be available soon at:
