Hello Brentwood Neighbour,

This is a friendly notice from the Brentwood Community Association (BCA). We wish to inform you that we have received an application for a proposed development in your area.

Should you wish to comment on the application, you may contact the file manager (the City of Calgary contact person listed below), or the BCA (403) 284-3477 or office@brentwoodcommunity.com

Here are the details of the application:

Application: DP2021-09279

Application Type: New: Single Detached Dwelling

Address: 5223 Bannerman Drive NW

Land Use Designation: R-C1

Proposed Use: Interior renovations, new garage

Proposed Development is: Discretionary

Description: The Brentwood CA has received an application for a Development Permit (DP) to allow for renovations to, and an addition to the existing home. The proposed addition at the front of the home consists of a 590ft² garage at the basement level, with a 613.5ft² main floor level above. The roof height of the addition is about 3ft above the existing roof.

The City requires that plans be circulated only to “members of the public who would be directly affected” (i.e. neighbours). If you are affected, and wish to view the plans, please provide your name and address to the Brentwood Community Association, and a copy of the plans will be made available to you.

Note: If you wish to comment on this DP, please also send a copy to the BCA to ensure that your feedback is considered in the community response.
