Neighbour Notification

Hello Brentwood Neighbour,

This is a friendly notice from the Brentwood Community Association (BCA). We wish to inform you that we have received an application for a proposed development in your area.

Should you wish to comment on the application, you may contact the file manager (the City of Calgary contact person listed below), or the BCA (403) 284-3477 or office@brentwoodcommunity.com

Here are the details of the application:

Application: DP2023-08464

Application Type: New: Backyard Suite (Backyard Suite)

Address: 3132 Blakiston Dr NW

Land Use Designation: R-C1

Proposed Use: Secondary Suite

Proposed Development is: Discretionary

Description: The Brentwood CA has received an application for a Development Permit (DP) to allow for a new garage and a backyard suite above the garage. The application shows a ground floor estimated at 898ft², and includes a 3-car garage and internal stairs to the suite. The height of the garage roof is estimated at 23.9ft above the ground floor. The suite contains kitchen, living and laundry areas, 2 bedrooms, and sanitation facilities. An outdoor amenity space will be provided in the backyard for the suite tenants. Suite parking is proposed in the garage, with lane access.

The City requires that plans be circulated only to “members of the public who would be directly affected” (i.e. neighbours). If you are affected, and wish to view the plans, please provide your name and address to the Brentwood Community Association, and a copy of the plans will be made available to you.

Note: If you wish to comment on this DP, please also send a copy to the BCA to ensure that your feedback is considered in the community response.
