Hello Brentwood Neighbour,

This is a friendly notice from the Brentwood Community Association (BCA). We wish to inform you that we have received an application for a proposed development in your area.

Should you wish to comment on the application, you may contact the file manager (the City of Calgary contact person listed below), or the BCA (403) 284-3477 or office@brentwoodcommunity.com

Here are the details of the application:

Application: DP2024-01052

Application Type: Addition: Single Detached Dwelling (main floor - rear)

Address: 39 Baker Cresc NW

Land Use Designation: R-C1

Description: The Brentwood CA has received an application for a Development Permit (DP) to allow for a main floor addition to the rear of the existing home. Submitted drawings show the proposed footprint for this addition is about 664ft². The height of the roof is estimated to be 17ft.

The City requires that plans be circulated only to “members of the public who would be directly affected” (i.e. neighbours). If you are affected, and wish to view the plans, please provide your name and address to the Brentwood Community Association, and a copy of the plans will be made available to you.
